The 3rd Annual Charity Event for the Harmony Hospice was held last night at the Nita Fry pictured receiving her gift certificate from the Harmony Hospice for a One Hour Massage at her home. Precious Goodie Bag!! This was the 3rd Year for Harmony Hospice and it was a real celebration, last year it was held at the center for the disabled and they were able to bring a nurse for assistance of a massage therapist and The Librarian offered to do a group scrubdown for the group that came to help. Gail Harmony Hospice with the help of the Autism Society of Delaware and the Delaware Association of Kinesiology located at the Delaware Sportsman's Club on the Delmarva peninsula had nearly 700 guests! There were games, goodie bags, booths, food, music and the new 'History of Harmony' exhibit which was brought in by the Delaware Chamber of Commerce. They also allowed a live auction for a chance to win a massage for a friend, dinner for two at Delaware Artisan Bistro in Rehoboth Beach, a 3 day stay at the beach, 5 hours of massage with a licensed massage therapist, hand and foot reflexology, a lottery ticket for a chance to win a paddle boat, a waterfront house view and river walks, and a home improvement project by Home Depot. This year it was different, the event was held at the farmstead of Harmony Hospice that is now home to Nita and Dale and their family plus many others. It was overlooking the beautiful farm land and even the barn where many activities and games were held to raise funds for the charity. A portion of the funds raised goes to Harmony Hospice and it is hoped the event will become an annual event. This year's main event was a live auction, all the items that were donated were held for auction. One of the items was a pain 82157476af
